Targeted Area(s)	Cost
Academic Support Due to the impact of the pandemic on public education, there is a critical need to support students in accelerating learning and closing academic gaps due to learning loss. We will provide additional personnel to support effective first time instruction, real-time interventions, and high dosage tutoring.	\$178,500
Family Engagement & SEL The pandemic also had detrimental effects on many of our communities, families, and students. It is paramount that we also address our students' social-emotional and mental health needs.	\$63,770
