### 2020-2023 ARP ESSER III Federal Grant Application

Program Description PS3013 - Program Plan

#### C. LEA Needs Process

Which of the following processes did the LEA follow to determine the needs of the LEA caused by the pandemic that would not be reimbursed by other fund sources (Federal Emergency Management Agency (FEMA), Child Nutrition Program, Child Care & Development Block Grant (CCDBG))? Directions: Select the types of activities the LEA followed in conducting its process to identify the added needs caused by the pandemic. Check all that apply.
 ✓ LEA conducted surveys to district-level staff.
 LEA conducted surveys to campus-level staff.
 LEA conducted surveys to parents.
 LEA conducted surveys to students.

LEA surveyed community groups (i.e., government officials, business, law enforcement, nonprofit organizations, etc.).

LEA sent direct communication to staff, parents, and/or students to gather input.

LEA reviewed and analyzed data from local and state health authorities.

✔ LEA identified needs as issues arose that were out of the ordinary.

LEA reviewed documented comprehensive needs assessment considering the pandemic to determine needs.

LEA consulted with local school board to determine needs.

LEA followed some type of documented disaster or emergency plan with specific needs assessment processes.

LEA used professional or contracted services to collect, disaggregate, and/or analyze data related to needs.

LEA determined needs through another process or data points not listed above.

LEA completed a focused or problem-oriented assessment.

LEA completed an emergency assessment.

LEA completed a time-lapsed assessment.

LEA completed an initial comprehensive assessment.

LEA completed an ongoing or partial assessment.

LEA completed a different needs assessment process not described above.

Schedule Status: Complete

### 2020-2023 ARP ESSER III Federal Grant Application

Program Description PS3013 - Program Plan

2. How did the LEA prioritize the needs identified in Line 1 above? Directions: Select the types of processes the LEA followed in prioritizing the needs of the LEA in determining what activities would be funded with ESSER III funds. Check all that apply. If all identified needs are being met with ESSER III funds, select "All needs met; no prioritization needed." LEA focused on largest expenditures. LEA focused on needs serving the largest number of students. LEA focused on needs serving the largest number of staff. LEA consulted with local school board to prioritize needs. LEA focused on Economically Disadvantaged or Socioeconomically Disadvantaged data. ELA focused on serving needs of identified student groups (at-risk, migrant, immigrant, SWD, English Learners, Homeless, Foster, etc.). LEA ranked campus needs per SC5000. LEA focused on governance needs. LEA focused on wellness needs. LEA focused on instructional continuity needs. LEA focused on postsecondary needs for seniors. LEA focused on facility needs. LEA focused on school operational needs. LEA focused on technology needs. LEA focused on Personal Protective Equipment (PPE). LEA focused on professional development and training needs to facilitate transition to remote/online/virtual classrooms and teaching. LEA prioritized needs through another process or data points not listed above. All needs met; no prioritization needed.

#### D. Maintenance of Equity

Directions: Select one applicable response for which the LEA is exempt from the required Maintenance of Equity provision. If the LEA is not exempt from this provision, select "No".

1. Is the LEA exempt from the required Maintenance of Equity provision?

No No

Yes, LEA has fewer than 1,000 total enrollment

- Yes, LEA has only one campus within the LEA
- Yes, LEA has only one campus per grade span (elementary, middle school, high school) within the LEA
- Maybe, the LEA will apply to USDE for a waiver for exceptional or uncontrollable circumstances
- Maybe, the LEA will apply to USDE for a waiver for a precipitous decline in financial resources in the LEA

Schedule Status: Complete

#### 2020-2023 ARP ESSER III Federal Grant Application

### Program Description PS3013 - Program Plan

#### E. Required Assurances

- 1. Select the following checkboxes to indicate your compliance with the required assurances.
  - The LEA assures that although funds may be used for one-time or ongoing purposes, the LEA understands the use of the funds for ongoing purposes could result in funding deficits in future years after the funding expires on September 30, 2024. The LEA assures it makes no assumption that the state will provide replacement state funds in future years, and that this fact will be raised and explicitly discussed in a meeting of its governing board.
  - The LEA assures that it engaged in meaningful consultation with stakeholders and gave the public an opportunity to provide input in the development of its plan for the uses of ARP ESSER III funds.
  - The LEA assures that it specifically, engaged in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff.
  - The LEA assures that it specifically, engaged in meaningful consultation with, and to the extent present in or served by the LEA tribes, civil rights organizations (including disability rights organizations).
  - The LEA assures that it engaged in meaningful consultation with stakeholders representing the interests of children with disabilities, English language learners, children experiencing homelessness, children in foster care, migrant students, children who are incarcerated, and other underserved students.
  - Ine LEA assures that its plan for the uses of ARP ESSER III funds is provided in an understandable and uniform format.
  - The LEA assures, to the extent practicable, the plan is written in a language that parents can understand or, if not practicable, orally translated; and, upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent.
  - The LEA assures that the program schedules to this application, or a separate document containing all the information included in the program schedules, serving as the LEA's plan for the uses of ARP ESSER III funds will be posted to the LEA's website within 30 days of receiving its ESSER III Notice of Grant Award.
